

PERMIT TERM 207

*Title:* EROSION HAZARD TERM

*When used:* For use when a storage project is in area with erosion hazards and county controls are not in place to ensure the issues will be addressed appropriately.

*Term:*

An erosion control/revegetation plan and implementation schedule, prepared by a licensed civil engineer, shall be submitted to and approved by the Chief, Division of Water Rights, prior to starting construction. Before storing water in the reservoir, Permittee shall furnish evidence which substantiates that the erosion control/revegetation plan has been implemented. Evidence includes photographs showing the project area vegetation and slopes.
